FOR ALICE

Story & Art: Aru

CHAPTER 21 - MARY ANN'S HOUSE V

Why me?

Aren't there many more capable maids besides me?

It doesn't seem like it'll make money...

Of course, that's because you are the only maid who's capable and strong.

You're perfect for guarding Herald.

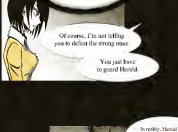
I don't understand. Who would harm that stu-.. cute White Rabbit?

Yeah, even though Herald is clumsy, he is a cute rabbit loved by all.
But...

You see, there are some who are jealous of Herald's ability.

Did the White Rabbit have an ability good enough to be jealous of...?
Of course, I'm not telling you to defeat the strong ones.
You just have to guard Herald.

In reality, Herald is too busy, so he doesn't need to do tasks like us.
It's probably easier to work than this now.
A bodyguard and a maid? Why does she want to hire me instead of hiring one for each?
Before anything, why does she want to send away the White Rabbit by himself?

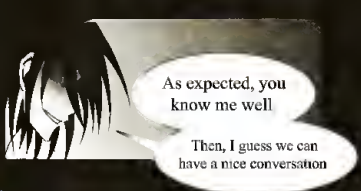


Sincerely apologize, my Queen.
I don't see any merit in the work, and I'm quite satisfied with my current work.
I would recommend that you should find a more suitable maid for...

Impressive.
And, I'm left to wait for the White Rabbit to... compete.

As I thought...
Is it money you want?

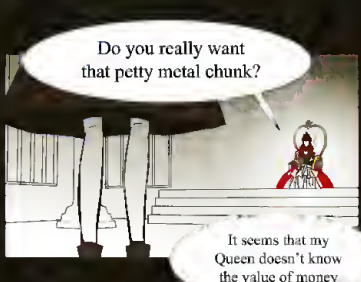
.....



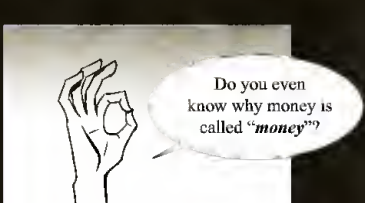
As expected, you know me well
Then, I guess we can have a nice conversation

MISTY

How much?
.....
I don't understand.

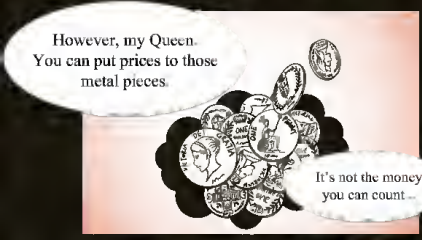


Do you really want that petty metal chunk?
It seems that my Queen doesn't know the value of money

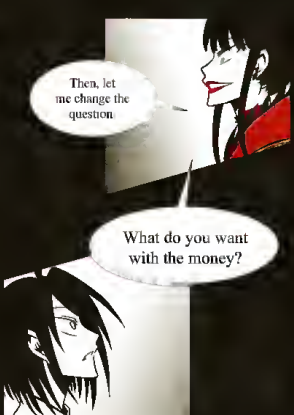


Do you even know why money is called "*money*"?

*"MONEY" cannot be counted, so "MUCH" has to be used.

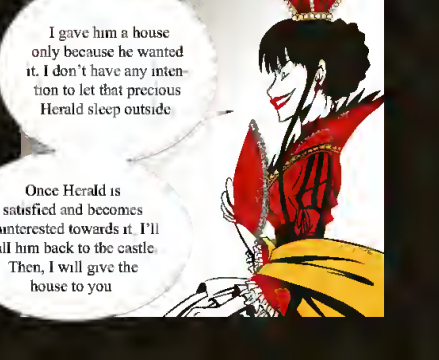


It's the happiness that you can buy with the money.
With a lot of money, you can be happy that you can't count its value.
Being moneyless is unhappiness but being moneyful is happiness



My dream...
Is a very small dream...
A house...
I'll buy a house first.

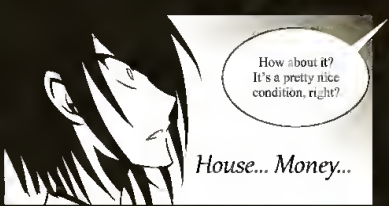
Yeah, only if I had a house...
Only if I had money to buy a house...



Hmm...
Alright, I'll give you the house that I was planning to give to the Herald
??!!

I gave him a house only because he wanted it. I don't have any intention to let that precious Herald sleep outside.
Once Herald is satisfied and becomes uninterested towards it, I'll call him back to the castle. Then, I will give the house to you

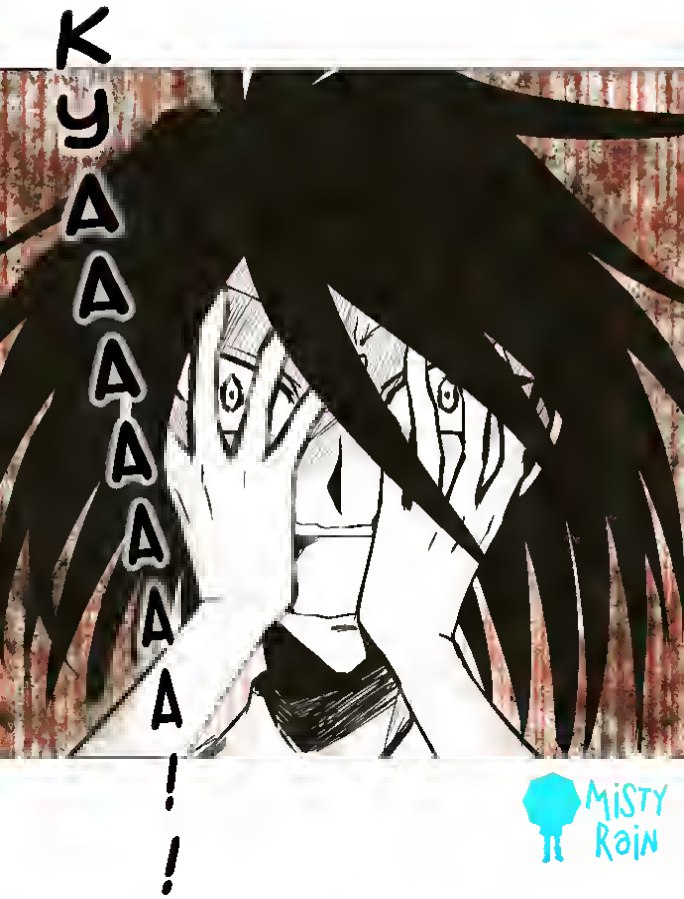
Herald will be too busy to stay in the house, so it'll practically be *yours*
Of course, I'll pay you twice the money, which you love so much



How about it? It's a pretty nice condition, right?
House... Money...

Money!!

Yay~
Yay~ A House~ Everyone!! I've got a house now!!
Congrats~ White Rabbit~
The Queen really does like you after all~
It's a picturesque house in a green forest!!



MISTY RAIN

CF.

In Ancient Roman mythology, Juno, the wife of Jupiter, was called as Moneta (warner; advisor) as a goddess who warns enemy's invasion. In early Rome, there was mint by her temple. As her face was printed on coins, Moneta became to mean money. Once this word was brought to France, it became the "money" we know today

Everyone! Unlike how we can count the money like 10 won, 100 won, you can't count ***MONEY*** in English. "***MANY MONEY***" is just a word play by me, like what Lewis Carroll does

Don't blame me after writing "***MANY MONEY***" on an English test, OK?
